# General Thoughts on Ethical Decision-Making

---

- Is the action legal?
- Does it meet your own sense of right and wrong?
- Is it good public policy?
- Is it consistent with the agency's or the community's values?
- Does it comply with the Golden Rule?

# Ethical Decision-making (Cont.)

- Don't be afraid to invite ethics into the room
- There is often more than one “right” answer and it is okay to disagree about what is right or wrong
- Consider adopting a local ethics or standards of conduct policy
- The Institute for Local Government has good resource materials at [www.ilsg.org](http://www.ilsg.org)

# Conclusion

---

- Prepare to comply with compensation and expense claiming rules by 1/1/06
- Obtain ethics training by 1/1/07
- We can all do our part to “invite ethics into the room”
